

Certain DSP training **MUST** be provided by certified instructors, including CPR/First Aid, Behavioral Interventions and Medication Administration. FIRST offers these trainings, as do other organizations, such as the American Red Cross, etc.

### **FIRST Online Training Offerings and Process**

#### **Overview of Staff Training Requirements**

Staff who work with people receiving the Innovations Waiver services must bi-annually be certified in State-required trainings.

#### **FIRST Training Offerings**

- **C&I (communication strategies to avoid restraint) - \$45.00**
- **Medication Administration - \$45.00**
- **CPR through a hybrid training on-line with in-person skills test - \$85 plus mileage**
